Presentations during session

**Presentations during session** 

**NB Skins**: Age groups will be swum alternatively at one and a half minute intervals.

The stroke to be swum will be determined by draw.

Swimmers in each age group event will start under the normal starting rules and swim 50metres of the pool, exit the pool and return to the starting position with the exception of the last swimmer who will be eliminated. On each subsequent start, swimmers will be given a 10 second warning after which the signal to start will follow without any verbal instructions. Starting before the signal is sounded will lead to disqualification; any such disqualification will exempt the last swimmer in that leg.
