

Photography & Video Consent Form

Bo'ness Amateur Swimming Club may photograph / film swimmers during training sessions / competitions. Bo'ness Amateur Swimming Club will follow the guidance for the use of images of young people as detailed within Scottish Swimming's Child Protection Policy and Procedures and will take steps to ensure these images are used solely for the purposes they are intended (indicated below).

Purpose of use:	For training purposes, recording of significant BASC events including competitions, social events and for use in club promotional materials which may include press, website, the club Facebook account, club leaflets and the notice board.
Venues	Bo'ness Recreation Centre, Bo'ness Academy, at competition venues attended by BASC and social events organised by BASC.
Dates	From date of signing, continuing indefinitely unless the membership secretary receives notification in writing that consent has been withdrawn.

If you have any concerns regarding the nature of filming please contact **the Club Child Protection Officer**. If the video / photos are on Bo'ness' Club website / social media sites and either the parent / guardian or the young person wish the data to be removed, please give 7 days notice to the Membership Secretary after which the data will be removed.

Please complete the relevant part of the consent signature form and return to the Membership Secretary.
